

**BROOK PARK RECREATION
2008
ADULT SOFTBALL REC RULES**

PLAYER ELIGIBILITY:

1. Each player must be at least 18 years of age to participate in a game.
2. Each player is to complete a team sports contract sheet and have one on file with the Rec. Dept. before participating in a game. Violation of this rule will result in forfeiture of all games in which ineligible players participate.

NON-RESIDENT RULES:

1. Men's Rec. and 35 & over teams are allowed to have 8 non-residents of Brook Park per team.
2. Each non-resident MUST pay a \$25 participation fee. Each non-resident who works full time in the City MUST pay a \$15 fee and is not considered one of your non-residents. The deadline to pay on game day is 6:00p.m. Payment will NOT be accepted at the field.

TEAM ROSTERS:

1. Rosters are limited to 20 per team.
2. The deadline for signing players is 4:00p.m. on July 1st. New contracts will not be accepted at the field. They must be turned in to the front desk of the Rec. Center and stamped accordingly.
3. Once a team reaches their maximum number of non-residents at any point during the year, any player added MUST be a resident of Brook Park. If one of the non-resident players is dropped from your roster, a new non-resident player may be added as a replacement provided they pay the \$25 non-resident fee before playing in a game.
4. After July 1st, only the possibility of forfeiture due to injuries will justify adding new players. The league director must approve all additions after July 1st. Players who are replaced will have their contracts voided and are ineligible from playing in ANY Rec. Dept. sponsored league for the remainder of the season.
5. A player can only play on ONE team in Brook Park. No player or team may play in two or more different leagues (except for 35 & over and Coed leagues). No player may switch teams during the season even if his team drops him. Violations of this rule will result in forfeiture of games which ineligible players participate.
6. Use of ineligible players will result in forfeiture of games and possible suspension of the ineligible player(s).
7. If a manager surrenders his role as manager at any point during the year, it is the responsibility of the old and/or new manager to inform the league director of the change.

UNIFORM POLICY:

1. The Rec. Dept. **strongly urges** all adult teams to wear matching jerseys with a number on the back.
2. If caps are worn, they must be worn with the visor facing forward. Exception: The catcher while playing defense.
3. The Rec. Dept. will decide acceptable standards of team names and uniforms if there is a question.

PLAYING RULES:

1. There will be a **10 minute grace period** before the **first game of the day only**. Teams may **not** wait for a player(s) if they have enough players to legally start a game.
2. A minimum of 9 players is needed to start a game. As many as 11 players are eligible to play in the field in the Men's Rec. league.
3. You **MUST** finish the game with the same number of players that started the game. Exception: If a player cannot continue playing in a game due to injury and no eligible Substitutes are available, an automatic out will be declared in that persons spot in the batting order. The injured person may re-enter the game in the same batting order spot.
4. Teams that cannot field the same number of players that started the game due to an ejection of a player will forfeit the game.
5. If a team is losing by 10 runs or more after they bat in its half of the 5th or 6th inning, the game will be stopped.
6. If a team is losing by 15 runs or more after they bat in its half of the 4th inning, the game will be stopped.
7. If a team is losing by 25 runs or more after they bat in its half of the 3rd inning, the game will be stopped.
8. A tenth (10th) and eleventh (11th) player may be added to the 10th & 11th position anytime before the start of the 5th inning.
9. The manager is to PRINT CLEARLY the first and last name of each player along with their jersey number on the lineup card. This is very important for your statistics.
10. The AH (additional hitter) can bat anywhere in the lineup but is locked into that position in the batting order for the entire game. The AH may take a position in the field and the player they replace would then be considered the AH. Remember, the lineup can NEVER change!
11. The DR (designated runner) can be used 4 times per game. The Men's Rec. league may use the player who made the last out to courtesy run for another player. This rule can be implemented one time per inning. The DR must be listed as such in the lineup before the game. They may enter the game as a position player but once that occurs, the use of a DR is prohibited for the rest of the game.

12. One game ball will be provided for each team each game. Each team must provide back-up softballs "good" used balls. Whatever team hits the ball out of play or homerun must get that ball in a timely fashion.

If there has not been at least 4 ½ innings completed and the game is called, the game is considered a "wash" and replayed from the beginning!
2. The umpires and scorer get a half game fees apiece in the event a game is called after the first pitch is made and until the game becomes "official."

In the event that the protest is denied the forfeit fee will be kept by the Recreation Department and the game result will stand.
2. Protests to challenge a player's eligibility can be filed any time during the season. The Rec. Dept. reserves the right to challenge the eligibility of any player any time.
