There will be four separate Coed League Divisions (I, II, III, IV). Each will function as a separate league—each will play a round robin schedule among its members and each will have a separate championship. All divisions will play on Monday nights.

The divisions will be selected based on competitive level, with Division I being the strongest. We will do the best we can in placing teams in the proper divisions, based on experience and word of mouth. Time will not allow an extensive pre-season schedule to determine competitive level.

All Star Night and Hall of Fame Induction will be held on Saturday, July 13. Details will be finalized and communicated as the season progresses.
